

Art for Animals

On November 13, 2008, more than 200 guests and 20 local featured artists gathered for an evening of art, wine, food and fun at NashvillePAW Magazine's 2nd Annual Art for Animals, a unique gallery event benefiting Fix For Life spay and neuter clinic. The event, which was held from 6-9pm at HA Gallery in Nashville, featured more than 40 pieces of original art for sale as well as a fabulous silent auction, fine wine and beer and a dazzling array of catered hors d'oeuvres. The evening raised a net profit of over \$5,300 for Fix For Life's nonprofit spay and neuter programs. For more information, visit www.NashvillePAW.com or www.FixForLife.com.
